

# HUME REGION SIGNIFICANT TRACKS & TRAILS STRATEGY

## FINAL STRATEGY RELEASED

After significant consultation with key stakeholders, organisations and individuals, the Hume Region Significant Tracks and Trails Strategy has now been completed and endorsed. The document is an important strategic plan that will inform further infrastructure development and identifies specific areas to be addressed to create an improved visitor experience, and provide opportunities for business development and partnerships to deliver economic, tourism, environmental, health and lifestyle benefits to the region.

### KEY TRACK / TRAIL DEVELOPMENTS PROPOSED

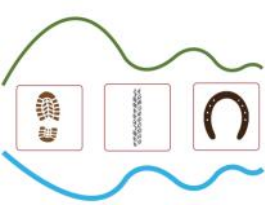

The following 23 track / trail developments have been identified as key priorities in the Hume region (in no particular order):

- ◆ Winton Wetlands
- ◆ Bright to Harrietville
- ◆ Falls to Hotham Alpine Crossing
- ◆ Beechworth to Yackandandah
- ◆ Oxley to Whitfield
- ◆ Wandong to Heathcote
- ◆ Wandiligong HVP MTB Trail Network
- ◆ Falls Creek to Mt Beauty MTB Trail
- ◆ High Country Rail Trail Wodonga CBD
- ◆ Mt Stirling Horse Trail
- ◆ Wahgunyah to Lake Moodemere
- ◆ Lake Mountain to Marysville MTB
- ◆ Wodonga to Tallangatta Sealing
- ◆ Alexandra to Eildon
- ◆ Yackandandah to Huon
- ◆ Bonegilla to Lake Hume
- ◆ Barmah Canoe Trail
- ◆ Tallarook to Seymour
- ◆ Chiltern to Rutherglen
- ◆ Yarrawonga to Echuca
- ◆ Alexandra to Rubicon
- ◆ Shepparton to Seymour River Trail
- ◆ Old Tallangatta to Corryong

### QUICK SUMMARY OF RECOMMENDATIONS

In addition to identifying 23 new tracks / trails or upgrades to existing tracks / trails, the strategy also identified some key areas that need to be addressed in order to improve the quality of the experience for track / trail users and the overall planning, design and management of tracks / trails in the Hume region. These issues include:

- |                              |                                       |
|------------------------------|---------------------------------------|
| Governance and communication | Business / private sector development |
| Management and maintenance   | Planning                              |
| Communication structures     | Trail design and planning             |
| Resources                    | Visitor experience                    |
| Marketing                    | Events                                |
| Signage and wayfinding       | Public transport access               |
| Risk management              | Universal design                      |
| Research and data collection | New opportunities                     |

## WHERE TO GET A COPY OF THE STRATEGY

A copy of the Final Strategy, along with an executive summary, maps and appendices can be found on the Regional Development Victoria website:

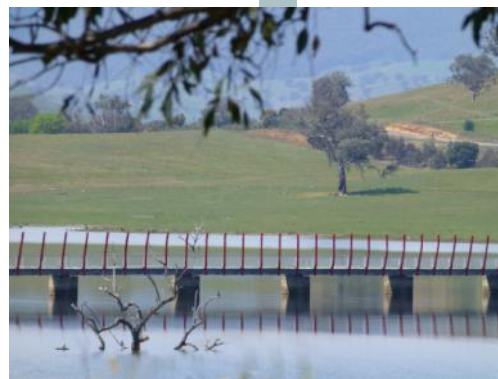

<http://www.rdv.vic.gov.au> and on individual Local Government Authority and Alpine Resort Management websites throughout the Hume region.

Hard copies of the Strategy may be available at Regional Development Victoria, Local Government and Alpine Resort Management offices for viewing.

## THANK YOU TO ALL INVOLVED

*On behalf of the Hume Region Significant Tracks and Trails Steering Committee, we would like to thank everyone who contributed to the Strategy in some way, i.e. by attending meetings, attending workshops, filling out surveys, preparing written submissions and providing feedback and information to support the recommendations.*

## PROJECT PARTNERS

## WHERE TO FROM HERE?

The first action within the Strategy involves the establishment of a Hume Region Significant Tracks and Trails Committee to oversee the implementation of the recommendations. This committee will include representation from the following organisations: Local Government, Alpine Resort Management Boards, State Government, Tourism Bodies and the community.

Meeting annually, the Hume Region Significant Tracks and Trails Strategy Committee will use the strategy to support land managers (Local Government Authorities, State Government Agencies, and other key stakeholders) to seek funding and resources to develop, enhance, and upgrade regionally significant tracks and trails in accordance with the recommendations contained within the Strategy. The Committee will also review the Hume Region Significant Tracks and Trails Strategy every three years.
