Mayor's Message

Welcome to the Victorian Seniors Festival 2023 program.

Greater Shepparton City Council is excited to host this festival once again, creating opportunities for the senior members of our community to connect with each other through fun, social activities planned just for them.

Our seniors represent 25 per cent of the Greater Shepparton community, and their wide range of skills and experience contribute so much to our municipality. We look forward to seeing them having fun, participating in the many events and activities taking place across the region.

This October, we are celebrating the older residents in Greater Shepparton. We encourage all seniors to go out, enjoy themselves and have a good time at the Seniors Festival.

Riverlinks Eastbank

AN EVENING WITH THE MSO

RIVERLINKS | WEDNESDAY 4 OCTOBER | 7.30PM | COST: \$56

Enjoy an evening with the Melbourne Symphony Orchestra (MSO) Cybec Assistant conductor Carlo Antonioli presents this varied and lyrical program inspired by nature and place. Awestruck by the towering columns of rock and the rushing water at Fingal's Cave on a visit to Scotland's Hebrides islands, Mendelssohn wrote his evocative overture depicting the monumental beauty and forces of nature he encountered.

Ever the pioneer, Mozart wrote his Clarinet Concerto for basset clarinet - an instrument with a wider range than the existing clarinet, enabling greater dramatic and musical variation. The only problem was that the instrument didn't yet exist, and was only finished just in time for the work's premiere! Hear this beloved concerto through new ears as MSO Principal Clarinet David Thomas performs on this rare and extraordinary instrument. James Henry is a participant in MSO's inaugural First Voices Composer program, and the Orchestra performs his newly commissioned work Wildhaa.

Carlo Antonioli then conducts Mendelssohn's Italian Symphony, written after a trip to Italy in 1830, where the composer delighted in the art, landscape and energy of the people.
