

GREATER SHEPPARTON TOWN ENTRY SIGNS

Details of confirmation of your town entry sign request are provided in the accompanying correspondence. Failure to utilise the allocated position and adhere to the specified timeframes may affect future bookings and/or result in a fee payable to Greater Shepparton City Council.

Town entry signs must be corflute and be of a professional standard for display.

Individuals and organisations making use of the town entry signs understand that all activities undertaken are at their own risk and Council will not accept responsibility or be held responsible for personal injury or property loss or damage as a result.

It is important to note that you are required to remove your signs on completion of your booking to ensure the next booking can be placed appropriately.

If you do not remove your sign by the allotted time, your lock may be forcibly removed to allow the next booking to proceed. All locks forcibly removed will not be replaced by Council.

Locations of Town Entry signs

Shepparton – 4 Locations

Wyndham Street, Numurkah Road, Benalla Road & Midland Highway

Mooroopna – 3 Locations

Midland Highway East, Midland Highway West & Echuca Road

Tatura – 3 Locations

SHEPPARTON

Locations

- Wyndham Street – left hand side heading North (between Guthrie & Longstaff Streets)
- Numurkah Road – left hand side heading South (between Grant Court & Hawkins Street – out the front of IGA Supermarket)
- Benalla Road – left hand side heading west (between Zurcas Lane & Shepparton Marketplace)
- Midland Highway/High Street – left hand side heading east (Monash Park)

Sign Size

1800mm wide x 890mm high

Instructions

Each position has the capacity to lock into place to secure your sign via a hinged frame. A small padlock or cable tie can be used to secure your sign at each location.

* Position 1 — slide the billboard upwards into position, close the hinge, and place your lock into the mechanism.

* Positions 2, 3 & 4 — slide the billboard to the left into position, close the hinge, and place your lock into the mechanism.

MOOROOPNA

Locations

- Midland Highway – left hand side heading East (in front of the Mooroopna Recreation Reserve)
- Midland Highway – left hand side heading West (near the War Memorial)
- Echuca Road – left hand side heading South (near Gemmill's Swamp)

Sign Size

1750mm wide x 890mm high

Instructions

Each position has the capacity to lock into place to secure your sign via a hinged frame. A small padlock or cable tie can be used to secure your sign at each location.

* Positions 1 & 2 — slide the billboard upwards into position, close the hinge, and place your lock into the mechanism.

* Positions 3 & 4 — slide the billboard from the left or right into position, close the hinge, and place your lock into the mechanism.

TATURA

Locations

- Dhurringile Road – left hand side heading South (Between Johnstone and Ferguson Road)
- Tatura-Undera Road – left hand side heading South (North of Cussen Park)
- Junction Murchison-Tatura Road and Girgarre East Road – left hand side heading North

Sign Size

1800mm wide x 890mm high

Instructions

All signs must be secured to the structure using four sets of nuts and bolts or wing nuts using the holes provided to ensure that they remain fixed in position. Any signs not affixed in the specified manner will be removed.

No holes are to be drilled (for example rivets, tek screws) and no tape is to be used.

Position 1

Position 2

SHEPPARTON SHOWGROUNDS

Exclusive access for events held at the Shepparton Showgrounds only.

Locations

- Shepparton Showgrounds – Gate 8 – Corner of High & Archer Streets

Sign Size

1750mm wide x 890mm high

Instructions

Each position has the capacity to lock into place to secure your sign via a hex nut. You will need an allen key to remove the nuts from the signage. Please do not use an electric device and strip the nuts back.

* Position 1 — slide the billboard up into position, close the hinge, and place the nuts back into position.

* Position 2 — slide the billboard to the left into position, close the hinge, and place the nuts back into position.
